WHAT THIS MEANS FOR YOU

You now can offer your clients a one-stop shopping experience. With a Mutual of Omaha Medicare supplement to cover health care needs, dental insurance for a healthy smile and a vision benefit rider to help pay for eye exams and glasses, you're able to meet most of their insurance needs. And that's the kind of convenience your clients are looking for.

Did you know...

Medicare doesn't cover dental services. That means costs for things like routine cleanings, fillings, root canals, bridges and dentures come out of your clients' pockets.
